Photography and Filming Consent Form

November 2024

As per Surf Life Saving Australia Policy: ([Child Safe, Section 7.7](#), June 2024).

Sandringham Life Saving Club does not permit photographs, videos or other images of children or young people to be published without prior parent/carer consent. In addition to gaining consent from the parent/carer, prior to the photo or video being taken, the child/young person will also be asked for their consent.

We will take all steps to ensure these images are used solely for the purposes for which they are intended. If you become aware that these images are being used inappropriately, please inform us immediately.

- Photography and filming will only take place during official lifesaving activities and events.
- Images and videos will be used for display purposes in official documents such as Annual Reports, flyers and promotional posters, on our website and on our official social media pages.
- All Club Representatives photographing or filming club activities have a Working With Children's Check.
- Images and videos are stored in the private Board of Management cloud storage drive and will be deleted as soon as they are no longer needed or if requested by the person in the image or parent/carer of the person in the image.
- Anyone can remove consent at any time. If you no longer wish to have your child's image used please email us at comms@sandringhamlsc.org.au.
- If you do not give permission for your child's photograph/video to be taken or used, it is your responsibility as the parent/carer to ensure that your child wears a visible armband during the lifesaving activity for identification. Wristbands are available through each of your Age Managers and can be collected when you sign your child into Nippers.

Please Note: Where activities are undertaken in public spaces (ie. the beach), photographs/video may be taken without permission from parents/carers as the policies of the organisation are not enforceable in public areas.
