

## Welcome to the 2024/2025 Season at Sandringham Life Saving Club!

Thank you so much for your interest in our Club. We're looking forward to having you join, and we need you to complete ALL THREE stages of the enrolment process before your membership request can be accepted.

### 1. Enrolment:

First, we need you to register via the Surf Life Saving Australia website <https://sls.com.au/join/>. Please scroll all the way down the home page and select Join under the **No** icon if you have never been a member of a surf lifesaving club before. Select Join under the **Yes** icon if you have - if so, you will need to register or log in to the members portal. Follow the enrolment process on the website to register and pay for your membership – more detailed instructions about this process are found on page 2 of this document.

We ask that you enrol both parents/guardians when signing up for a family membership, especially if both will be present on the beach during nippers. This is a safeguarding children requirement (see the Working With Children Check section below).

### 2. Payment:

You will be taken to a payment gateway at the end of the enrolment. As this is a national website and each club has a different fee structure, please ensure you enter the correct amount:

Family Membership \$200
Cadets (13-17 years, not part of a family membership) \$60
Adult (over 18 years, not part of a family membership) \$80
Community Membership (non-active adults only) \$40

### 3. Conditions and Working with Children Check:

It is a Life Saving Victoria and Sandringham Lifesaving Club policy to ensure all members who are involved with activities in which children are present hold a **volunteer** Working With Children Check (WWCC). Please ensure this is completed, as without it you cannot become a full member (your children will not be able to be enrolled in Nippers and you will be unable to patrol). Nippers places are allocated when all enrolment, payment and WWCC paperwork is received; until all are received, you will not be allocated a place. If you already have a WWCC, please add us to the organisations with whom you volunteer, and send through a screenshot of the updated details while we await the paper copy.

The WWCC is free of charge and easy to obtain as the process is now entirely online. Visit <https://www.workingwithchildren.vic.gov.au> to apply (ensure you click Volunteer rather than Employee to avoid charges). Please enter your volunteer organisation addresses as below:
